Travelling times are estimates and subject to actual traffic conditions.

With the beautiful Park Connectors right at your doorstep, and the Singapore River promenade alongside them, stroll, jog, or run, whenever you wish to.

And you know you'll never run out of a dizzying array of leisure and lifestyle activities, as you are at the heart of it all.

Need to travel further? The CTE is just 3 minutes away by car, and 4 minutes walk from Great World MRT station. And for our young scholars, River Valley Primary School is within 1km, while other prestigious schools like SOTA and SMU are mere minutes drive away.

Catch a theatrical work at the Esplanade, visit a blockbuster art exhibition at the National Gallery, or simply take a stroll at the Gardens by the Bay, or the Botanic Gardens. The neighbourhood is enriched with such vitality from the arts, culture, and nature, that no others could afford.
